SOMETHING GOOD TO EAT.

A CLEAN RESTAURANT And we serve our patrons promptly and with plenty.

the Tonopah Mining Company has purchased another big property in York Mining Age. the United States of Colombia. Ru mor has it that the new Colombia holdings are located hear the wonderful Oroville dredging subsidiary the Pato mines, on the Nechi river Pato has jumped into fame the las few weeks through yielding values over \$1 per yard from gravels originally estimated to contain only 34

However, most of the ground in the vicinity of Oroville's holdings on the Nechl river is owned by con trolled by the Colombia Gold Mine Corporation a New York concern and one of the officials of this con cern is authority for the statemen that the Tonopah Mining company's entry into Colombia is not in the Nechi river section.

ALSO IN BOLIVIA AND MEXICO. W. W. Charles, the comptroller of TONOPAH :: :: NEVADA the company, has been in Bolivia for the past three months with some of the Tonopah Mining company's staff, investigating likely looking proper ties. Mr. Charles is now on his way back to Philadelphia with what is said to be a most favorable report upon the properties submitted for inspection.

The Tonopah Mining company was also interested up to this summer in some likely looking territory in central Mexico, but the continued political agitation and revolution in the republic across the border has finally lecided the Tenopah company to withdraw from this Mexican field, TONOPAH'S BIG EARNINGS.

It is not expected that Tonopals Mining's new holdings will develop even in the aggregate, into any such money maker as the parent company. Earnings of Tonopah Mining for the nine months ended December 1 aggregated \$1,046,000, which is at the rate of approximately \$1,400,000 per

The company has been in the habit of paying regularly a 15 per cent onus in addition to the regular 25 er cent quarterly dividend, but anuncement was made in July that the bonus would be discontinued, and the October payment of the company was at the rate of only 25 cents not The total disbursements in 1913 comprise four quarterly pay ments of 25 cents each and three ex tras of 15 per cent each, aggregating \$1,450,000. It is apparent that eranings for the last night months are more than sufficient to pay the regular 25 per cent quarterly dividends and perhaps permit the renewal of some of the bonuses even without the help of the new properties which

In addition to the Colorado placer, the company is taking over. Earn- Berkeley and San Francisco, comproperties, it is now understood that ings at the rate of \$1,400,000 per an pleted its mill, consisting of twenty
